ALUMINUM SIDING, SOFFIT AND FASCIA

Expert craftsmanship and high-performance materials bring superior style and strength to Gentek aluminum siding, soffit and fascia. From rooflines and gables to walls and trim areas, our aluminum cladding products will enhance your home with a beautiful exterior that's strong, weathertight and easy to maintain.

Heavy-Duty Construction Resilient aluminum core is coated with a specially formulated polyester finish.

Built Weather-Tough! Stands up strong against harsh weather elements, such as heat, cold, rain and snow.

Carefree Maintenance Never needs to be painted – won't rot, peel or flake like painted or stained wood. Rinse occasionally with a garden hose to remove most airborne dust or dirt.

Custom Style Pairs easily with decorative accents, corner posts, trim and other exterior accessories to give your home a style all its own.

Value-Added Investment Creating an attractive, easy-care exterior for your home can enhance its value and curb appeal.

Warranty Protection Gentek aluminum siding products are backed by a 40 year limited warranty; see printed warranty for details.

ALUMINUM SOFFIT AND FASCIA

Soffit and fascia add the perfect finishing touch to rooflines, gables and other architectural areas, while providing essential ventilation that helps remove moisture from eaves and rafters. Gentek soffit panels feature a distinctive V-groove design for extra strength and rigidity.

DESIGN AND DECIDE

Whether you want to just refresh the exterior design – or press the reset button – one of the most difficult aspects of home remodeling is choosing colours. How will the new products and colours look on your home?

The Gentek Visualizer takes the guesswork out of the design process. This easy web-based design tool lets you instantly create a variety of exterior designs with options for siding, trim, roofing, front door paint, exterior window colours and more.

- Design-ready with a gallery of house images; access it from any device and start designing.
- Custom “photo-realistic” option – upload a photo of your home or simply enter your address and Google Street View will upload the photo for you. Outline the roof and walls using our design tools and apply Gentek products to your photo (our Design Services team can also professionally prepare the house photo for you).
- Pre-selected Gentek product and colour combinations for easy design selection.
- Save your preferred products, colours and designs – everything is listed and ready to go.

MORE COLOUR COMBINATIONS! Gentek offers one of the largest selections of aluminum trim colours, including many shades of a single hue, to let you perfectly refine your custom design. Beautiful, playful, traditional, original – your home is uniquely you.

A WORD ABOUT QUALITY

Gentek delivers the confidence and value only a true leader can provide. We proudly stand behind our products with the full faith of our more than 55 years of manufacturing expertise and some of the strongest warranties in the industry. Our voluntary participation in rigorous quality certifications and independent testing is further assurance you have made an excellent selection for your home.

A SUSTAINABLE CHOICE

At the end of its long useful life, aluminum siding is 100% recyclable and can be recycled again and again without degrading the inherent value of the aluminum.¹ Gentek aluminum products further help the environment because they never need to be repainted, thereby reducing the amount of paint, stain and other maintenance-related substances entering the waste stream.

WARRANTY PROTECTION

Gentek aluminum siding, soffit and fascia are backed by a 40 Year Limited Warranty. For complete warranty information, including limitations, ask your dealer for a copy of the warranty.
